

## Financial Services Guide

This FSG is effective from 1 July 2021

This Financial Services Guide describes our financial planning and advisory services to assist you to decide whether to use our services. It describes how we are remunerated, our professional indemnity insurance and how we handle any complaints you may have. This FSG has been prepared and issued by Power2 Financial Planning Pty Ltd.

We may give you other documents when providing our services. These may include:

- **Statements of Advice** - If we provide you with advice about your personal circumstances, we will set out our advice in a Statement of Advice (or in some cases, a shorter document called a Record of Advice). This will also tell you how we will be remunerated for the advice we give you. When we provide further advice to you, we may not give you a Statement of Advice, however we will record the advice and you can ask us for a copy of the advice by calling us.
- **Record of Advice** - If your Adviser provides you with further personal advice, you may receive a Record of Advice (RoA). An RoA will be provided if your circumstances and basis of advice are not significantly different from the initial advice you received from your Adviser. Where your circumstances have significantly changed, any further personal advice that is provided to you will be documented in a SoA.

You may request a copy of the advice records that we keep. Any request must be made within seven (7) years of the provision of the advice, and should be directed to your Adviser.

- **Product Disclosure Statements** - If we recommend you acquire a financial product, we will also provide you with a Product Disclosure Statement containing information about the product's features and risks.

#### **MANAGED DISCRETIONARY ACCOUNT (MDA) SERVICE**

If your account is operated through our MDA service, you may not receive an SOA, ROA or PDS related to specific financial product transactions. However, you will receive one or more of those documents when:

- we commence your MDA service;
- we provide advice at a time when your circumstances, needs or objectives have changed significantly;
- when we conduct an annual review as to your suitability to the MDA service.

#### **What is an MDA Service?**

Power2 offers an MDA service. The MDA service allows your adviser to acquire, vary, realise, sell, subscribe, purchase, withdraw or otherwise dispose of, and deal in assets and financial products in your account, including any corporate actions (such as decisions regarding voting rights and reinvestment of distributions or dividends) without seeking your prior approval or consent.

You must first enter into an MDA Agreement with us in order to participate in the MDA service. This will be contained within your initial Statement of Advice (SOA). Power2, as an MDA Operator, will only provide MDA services for clients using specifically approved investment and superannuation products.

Power2 will not provide custodial services and will not hold your assets for you as part of our MDA service. Rather, your assets will be held for you through your account in the recommended investment and/or superannuation regulated platform.

### **About the MDA Agreement**

The MDA Agreement will set out the terms and conditions of the MDA service. It authorises us to acquire, vary, realise, sell, subscribe, purchase, withdraw or otherwise dispose of, and deal in assets and financial products in your account, including any corporate actions (such as decisions regarding the voting rights). Accordingly, you will not receive SOAs or ROAs in relation to ongoing financial transactions, unless we have determined that your circumstances, needs or objectives have significantly changed or we are producing the SOA or ROA as part of an annual review.

We will not be required to seek your instructions regarding corporate actions or other matters in relation to your investments. If you wish to provide instructions regarding corporate actions or change the MDA arrangements you can do so by contacting your adviser in writing.

The MDA Agreement will include an Investment Program and will be detailed in your SOA, which sets out how your money is going to be invested. The Investment Program will be developed based on your relevant personal circumstances, objectives and needs. The Investment Program will comply with Division 3 of Part 7.7 and Division 2 of Part 7.7A of the Corporations Act and will be reviewed by your adviser at least every 13 months.

The MDA Agreement and Investment Program will also contain:

- information about the nature and scope of the discretions we will be authorised and required to exercise;
- the investment strategy that is to be applied in exercising those discretions;
- information about any significant risks associated with the MDA Agreement;
- the basis on which we consider the MDA Agreement to be suitable for you; and
- warnings that the MDA Agreement may not be suitable to you if you have provided us with limited or inaccurate information.
- It will also specify that the MDA Agreement may cease to be suitable for you if your relevant personal circumstances change.

### **Risks associated with the MDA Agreement**

It is important to note that there are risks associated with the MDA Agreement. Some significant risks include, but are not limited to:

- your adviser making investment decisions that you disagree with, provided the actions are within the law and scope of the authority you have granted; and
- risks associated with investing in a live, fluctuating and unpredictable market.

Please read the MDA Agreement and your Investment Program for further discussion regarding the risks and benefits associated with using the MDA service.

This FSG complies with the requirements of the Corporations Act, ASIC Corporations (Managed Discretionary Account Services) Instrument 2016/968 and ASIC Regulatory Guide 179.

## Outsourcing

We may use any agent, other Australian Financial Services licensee, broker or custodian who we think is necessary or convenient to discharge our responsibilities under the MDA service, including our related entities. The typical services that may be outsourced include training, compliance, accounting, legal, account administration and research. Outsourcing only occurs after we have conducted practical due diligence and reference checks in respect of the outsourced provider. We will regularly monitor these providers. In applying these rigorous standards, the outsourced providers may change from time to time.

## HOW CAN YOU DEAL WITH US?

You can deal with us in person, by phone, fax or email. It is important that you provide us with complete and accurate information about your circumstances and you take the time to check any assumptions we make and the basis for our advice. If you don't our advice may not be appropriate for your needs.

If you decide to act on the advice, you will need to provide your consent to proceed with the advice. This usually means completing a document called an 'Authority to Proceed' to confirm that you understand both the advice you have received and the benefits, risks and costs associated with the products or services recommended to you. We can also accept your authority in some circumstances via email.

Naturally, your circumstances may change over time. When this happens, our initial advice and recommendations may no longer be appropriate for you. We can periodically review your financial position, personal circumstances, financial goals and investment strategies to decide whether those strategies and goals and the financial products you hold are appropriate. Or, you can contact us for a review when your circumstances change.
